NJ FOOT AND ANKLE “NO-SHOW” POLICY **Patient Acknowledgement Form**

Dear Patient,

As you may know by personal experience (or reputation if you are a new patient), Dr. Roberto, Dr. Gallagher, and their staff take pride in seeing patients on time and not relying on over-booking the daily schedule. Therefore, patients showing up for their appointments on-time is crucial for this to continue.

Starting August 1st, 2022, our office implemented a “No-Show” charge to any patients that do not show up on-time for their appointment and have failed to notify our office within 8 hours of their appointment. The charge will be \$50 and will need to be paid prior to returning for a future appointment.

By signing, I acknowledge this policy and accept its terms.
